

# Troubleshooting Guidelines for Non-Valid Clutch Warranties

## OIL & GREASE CONTAMINATION

Credit NOT Given

- Rear Main Seal or Transmission Input Seal is damaged.

## SCRAP UNITS

Credit NOT Given

- Clutch Covers and Discs that are extremely rusty are considered scrap/junkyard parts and will not receive credit.

## OE PRODUCT

Credit NOT Given

- Clutch Sets and Flywheels do NOT have OEM emblems, such as "Ford" on the parts.
- Flywheels are marked with our part number and name.  
Except Dual Mass Flywheels (example: 50-167330)

## WORN OUT

Credit NOT Given

- Clutch disc is worn out and should not be accepted for warranty.
- Friction material worn down to rivet heads.
